
SPIRITUAL WARFARE & WISDOM/LIFESTYLE PRAYERS

Here is a spiritual warfare prayer I use as I pray for each person in my family and over my home.

(This is not a magic formula or charm, and sometimes spiritual warfare increases.
This prayer is a result of years of praying and being sensitive to the Spirit.)

"I pray against any schemes or plans of Satan, any assaults, attacks, afflictions, addictions, assignments, attachments, sicknesses, diseases, infirmities, allergies, bad dreams, nightmares, pain and suffering, and send them to the foot of Jesus' cross in the name of the Father, Son, and Holy Spirit. I pray you put a hedge of protection around ____ with your mighty, warring angels and go side to side, back to back, around, above, and below ____ throughout the day and night."

Wisdom/lifestyle prayers:

I pray you give ____ wisdom, insight, illumination, discernment, discretion, direction, understanding, and knowledge.

I pray you protect his/her heart, mind, soul, spirit, strength.

I pray for the fruit of the spirit of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

I pray whatever is pure, lovely, admirable, noble, true, excellent, right, and praiseworthy,
cause ____ to dwell on such things.

I pray for a lifestyle that is pure, holy, righteous, integrous, and disciplined.

I pray you renew, restore, refresh his/her relationship with you.

I pray you help ____ be sensitive to the Holy Spirit.
